

2010 STCA Performance Awards

If you are an active [STCA member](#) and have an Am Staff working in performance events you may be eligible for an award. The following document outlines the two awards. Here is a quick rundown:

1. ROH award – requires your dog to have: AKC Championship, CGC or equivalent temperament test and AKC CD (you must be an STCA member).
Advanced ROH awards – silver (CDX), gold (UD) and platinum (UDX)
2. Versatility Award – if you have an Am Staff (including ILP) with a CD and CGC or equivalent, that has titles in any other AKC-recognized venue (rally, agility, tracking) you may be eligible for a Versatility Award. The worksheet below will help you tally up the points and can be emailed or sent to me with copies of the highest title in each venue. Dogs can receive basic (bronze), silver, gold and platinum awards based on the level of advancement in performance events.
3. For all awards:
Owner must be a current STCA member
Dog must have a CD and CGC
Verification of titles must accompany application (highest title)
4. We have gorgeous lapel pins and a certificate for each level of award – the deadline for awarding this year (at the TX Nationals in Oct) is Sep 15th (but if you add titles after that we will accommodate you) – you do not need to be present at the specialty to get an award
5. Don't miss out on this opportunity to recognize your accomplishments as a team!
